

THURS., DECEMBER 12, 2019 RECEPTION AND BOOK SIGNING

Debra Irene's third book published in 2019, *Someday I Will Write*, is a collection of stories written over time when there appeared to be no time for her to write. The stories illuminate both the blessings and the heart-wrenching elements of human relationships and everyday life. It is a book to read for pleasure and inspiration. Each chapter is an independent story, so you can read as much or as little as you like in one sitting. Aspiring writers can follow her journey and be encouraged to find time to tell their own stories. "Every thing is a story if we have eyes to see."
